intelligence in insurance

A photograph of a long row of large, corrugated metal grain silos in a field, with a blue sky above and a field of tall grass in the foreground. The image is partially obscured by a dark blue diagonal overlay at the top.

**Setting a New Standard
for Farm Insurance**

Best-In-Class Coverage Extensions

In today's dynamic agricultural landscape, standard insurance often falls short. FarmElevate™ goes beyond the basics, including specialized extensions designed to protect the unique and evolving assets of your operation.

Business Expansion

\$1,000,000

Planning to grow? We've got your new buildings, machinery, and livestock covered from day one.

Claim Recovery

\$300,000

When unexpected downtime hits, we help you get back to work faster, minimizing lost revenue.

Undeclared Property

\$300,000

Don't sweat the small stuff. Essential farm assets like fencing and fuel tanks are covered.

Off Premises

\$100,000

Your contents are protected, whether they're in transit or temporarily off-site for work.

Electronics

\$200,000

Protect your vital machinery computers and data systems from unexpected breakdowns.

Farm Operations

\$100,000

From grain loss to product recalls, ensure your daily farm operations are always protected.

And More!

We're Raising the Bar on Farm Insurance

At Agi3, we know that farming is a demanding business with no room for downtime. That's why we've redefined what farm Property & Casualty (P&C) insurance can be.

FarmElevate™ sets a new standard, combining deep farm expertise and cutting-edge technology to deliver modern, flexible coverage tailored to your needs.

**The Right Coverage.
The Right Partner.**

Tailored to your unique operation,
FarmElevate™ simplifies insurance, so you can focus
on what matters most—your farm.

A Higher Tier of Service & Protection

We understand that every farm is unique, and downtime is not an option. That's why FarmElevate™ offers:

Tailored Protection: Coverage designed specifically for your operation – whether it's buildings, machinery, harvested grain, or farm inputs.

Coverage Extensions: Better flexibility to protect what matters most, including newly acquired property, livestock, and environmental clean-up.

Proactive Risk Management: Complimentary services like hazard identification and fire prevention help avoid losses before they happen.

All-in-One Insurance Solutions: The only provider offering both farm P&C and crop insurance, including industry-leading programs like AgriEnhance™ and ForwardProtect™.

With FarmElevate™, you get the human touch of experienced farm professionals combined with time-saving technology – working together to save you time, reduce hassle and help your farm thrive.
